As we bid farewell to the first 50 years of the South Texas Trail Riders, let us take a moment to reflect on our lost loved ones and the wonderful memories of the journey we shared.

We will always cherish the many experiences while also welcoming the beginning of the era of our next half-century.

With new leadership and fresh ideas, the challenge before us will be to recruit members from a young generation to fill the shoes of those from the past.

As brochure chairman for the last 15 years, I have thoroughly enjoyed working alongside my co-directors, chairpersons and special friends as we look to the future.

Many More Happy Trails!

Brochure Chairman
